The Great Meeting of Divine Adept Master Minds Is On!

Islam Moorish Vanguard!: These present Holy instructions hereby and hereinafter adept agenda issue even as angels know what IT shall all mean in conformity with act 15 and act 16 of OUR booklet of Rules and regulations of The M.S.T. of A, Inc. Just as: (Justice): Sunlight now plays up on: (Anything IT Teach and Illuminate): thru this particular method of: (Religious): application as astute bona fide adept divine master mind Official deeply draw & reflect on the aforementioned: (Pictograph): of The Holy Prophet Noble Drew Ali: (Corporate Portrait): on the inside First front page of Our Moorish Holy Koran instruct and for: (Immediate Circulation Enforcement Into Execution): Praise Allah The Great Architect of the Universe and Honor All True Divine Prophets Ordained by Him. As follow herein is some of the Secret lessons the Isometric-minded are equally (well-balanced) while utilizing their third eye isosceles potential capabilities to industriously decipher Our Moorish Koranic allegorical algorithm in measure steps and degrees. The Illustrious Prophet Noble Drew Ali — thus teaches you Vanguard Moors all the above foregoing from a Jesus perspective to elevate and enlighten the minds of those of you who have familial love for Him and earnestly desire to learn about some of His life works and teachings with much alacrity: Benares is the sacred City of the Brahms and in Benares Jesus taught. Udraka was His host and many High-born Hindu priest and: (Moorish): scribes were there and Jesus spoke to them with much delight "I speak to you concerning life, the brotherhood of life. The universal Allah is One, yet He is more than One all things are one. By the sweet breath of Allah all life is bound in one. So, if you touch a fiber of a living thing you send a thrill from center to the outer boundaries of life. And when you crush beneath your foot the meanest worm, you shake The Throne of Allah and cause The Sword of Life to tremble in IT sheath." This unity of Allah and man is on the higher level balance scale plane of spiritual material ions and other particle substance invisible to the naked eye yet exists in everything thus inclusive of the line uniting divinity and matter. Now these organism diverse forms be scientifically manifesting animation thru the existence of the Breath of life Allah breathe forth into the cosmology of boundless space where seven others were all around binding everything in this Grand scheme of Creative Fate. IT also note that Buhu demonstrated "No man lives unto himself, for every living thing is bound by cords to every other living thing." For many years progressive spiritual unfoldment within The Moorish National Divine Movement of North America has become regrettably retarded due to intrigue and scurrilous cunning. Now everybody shall be able to clearly see why The Holy Prophet Noble Drew Ali — — — warned the Moors "Do not allow any foreign moslems up in your rostrum." Just look at all of that abominable sacrifice that has been continuously ongoing because of the same kind of stubborn stiff neck disobedience that brings down wrath and destruction. Clearly the lower-self is pernicious and breeds hatred, slander, lewdness, murder, theft and everything that harms. This is the carnal nature man must fight that he might be the strength of Allah made manifest. All people in every nation has a higher and lower self within. Of paramount importance is for mankind to know that the higher-self is Allah's spirit in them. In a profound sense all people are brothers and sisters and like children under the Divine Guidance of Allah thru the everlasting gospel that comes from Him thru Our ancient fathers by His Prophets and the message of peace on earth goodwill to men. IT is the Spirit of Allah's All In All presence with us that binds all humankind to learn to love instead of hate. IT is man's True Spiritual nature (Origin from Allah) that impel us to have familial love for our fellow man in this journey of the (Asiatic Human Race). That also compel the nations to strive for peace and unity along with the pure whole hearted desire to be both prosperous and happy. The M.S.T. of A, Inc. is the House The Holy Prophet Noble Drew Ali built for the ultimate upliftment and uniting of all humanity (Asia). One of the main motif motto written on OUR Moorish Holy Koran is "The Uniting of Asia." This is the symbolic root of the word Asiatic — The Human Family Fruition Tree; and Asiatic roots of IT also became flesh thru command of Allah "Be fruitful and multiply blessings" causing A whole lot of Holy Sex to be going on! (Genesis Chapter 1). As men continue to travel anywhere in the world. They shall bear in mind that they're all of the same True Spirit of Almighty God — Allah who dwells within us. The divisiveness of reprobate-minded individuals is what causes this deep black chasm of abysmal discord, chaos, disobedience and evil in OUR world. Men disrespect Allah and His Divine Plans for the Mankind Creation by debasing himself thru: (Negative): Activity, impure thoughts, words and deeds which causes great harm to others; and clearly as sin tears man further away from Allah and His Holy prophets! These finite carnal-minded men exhibit the said pernicious and scurrilous characteristic traits (exposed with dirt on their heads) to the harm of others. But even more so, to the harm of themselves and those they hold to be most dear and close to them. What they do to others, they are actually doing to themselves unbeknownst of the type of wrath that forever hover over their heads of which can and eventually shall make them roll around and around down on the ground like: (CBTH): by IT &: (TNBSO). The very wicked things these workers of iniquity have been doing for over thirty-five (35) years is against Allah's will and against the will and agendas of His Holy Prophet The Lamb of God Representative of Noble Drew Ali — — —, because they are cheated Allah's Anointed and Ordained in Accordance with Divine prophecy. IT demonstration of OUR Holy Covenant of the Asiatic Nation herein contain Holy Instructions consistent with these above foregoing ones: that hereinafter seek to further Advise, Divinely Warn and Guide men to promptly adhere.
